600/1372/2 NOCN Level 2 Certificate in Knowledge of Providing Security Services (QCF)

Below are statistics for registrations and certifications for the Providing Security Services L2 apprenticeship plus the Security Systems L2 and L3 apprenticeship frameworks. Full year registration and completion statistics are available for calendar year 2010 with partial statistics being available for calendar year 2011.

© 2007 Skills for Security

Please note registration and completion data may not show a clear relationship by calendar year. Completion data for 2010 may include apprentices who registered the previous calendar year. Likewise, apprentices registered so far for 2011 may be yet to complete.

The statistics evidence the increase in demand for apprenticeship frameworks over the last twelve months.

England

Registrations for security guarding/PSS framework from 1/1/2010 to 31/12/2010 – **918**
Registrations for security guarding/PSS framework from 1/1/2011 to 28/9/2011 - **1,545**
Registrations for security systems from 1/1/2010 to 31/12/2010 – **197**
Registrations for security systems from 1/1/2011 to 28/9/2011 - **207**

Completions for security guarding framework/PSS from 1/1/2010 to 31/12/2010 – **658**
Completions for security guarding/PSS framework from 1/1/2011 to 28/9/2011 - **795**
Completions for security systems from 1/1/2010 to 31/12/2010 - **213**
