

### Who can enter?

This competition is open to entrants from any part of the cleaning industry be it healthcare, local authority or contract cleaning.

Please refer to page 10 in the yellow section for guidance on levels of entry.

### About the competition:

This competition will showcase cleaning as a team effort. Teams will comprise of two cleaning operatives, one supervisor and one manager. This team must complete a cleaning challenge in three hours.

The fee for entry into the UK team clean challenge is £200 per team (payable to Asset Skills).

### Competitors will be assessed on the following criteria:

- Site survey and risk assessment
- Estimating and costing
- Work planning and allocation
- Training and development
- Cleaning processes, supervision and monitoring
- Health and safety

### How many competitors can enter from each organisation?

One team of four competitors per organisation.
